

Casoria, 29 Maggio 2008

NS.RIF 046 /08

To Whom it may concern

Costruzioni Aeronautiche Tecnam s.r.l. hereby communicates that, after structural considerations and flight tests, for the following LSA aircraft models:

- P2002 Sierra
- P2002 Sierra Deluxe
- P92 Echo Super
- P92 Echo Super Deluxe
- P2004 Bravo
- P2004 Bravo Deluxe
- P92 Eaglet

the C.G. range has been changed to 20%-33% of the Mean Aerodynamic Chord.

This change will be integrated in the next issues of the related Manuals.

With the best regards,

Luigi Pascale Langer
Tecnam HDO
